

## Potential Church Partner Form

### **What MSP does in your community:**

MSP offers a wide variety of encouraging ministry all listed below. Please click on the highlighted wording below for specific informational videos.

#### **Street Outreach:**

While using the "[Hot Sheet](#)" strategy, ministers go door to door throughout the community assessing any program or assistance needs. Street outreach leads souls to Christ and also connects individuals needing a church home in the area that we partner with, such as your church.

#### **Carry The Cross with MSP:**

Walking through the main street areas with the cross as we witness to the community. We hand out main community event promotional materials, sign people up for programs and connect them with a church home. This is a very effective method to witness, grab people's attention and spark the desire to be connected.

#### **Conferences:**

Speakers present on a wide variety of biblical and soul edifying subjects. We partner with local organizations, such as your church; where we do speaking engagements to focus on leading souls to Christ and individuals to their purpose in God.

#### **Block Parties:**

We set up a stage in the streets to perform live music while continuing to lead souls to Christ. This provides the direct opportunity to get individuals into a church home and any assistance programs available in the local area.

#### **School Venues:**

We set up a stage in the local school to perform live music while continuing to lead souls to Christ. This provides the direct opportunity to get individuals into a church home and any assistance programs available in the local area.

## Evangelism Training:

We schedule a free 2 hour training session (meal included) to teach individuals Evangelism 101. During this time, we discuss the MSP mission, vision, beliefs and our Hot Sheet strategy. This training is specifically designed and required for anyone interested to become an MSP Street Minister.

If you partner with MSP, we will send all who need a church home (including newly saved) to your church. Anyone who is within a 15-20 mile radius gets sent over to you and we will continue to refer to you as a church home.

We want all new believers to understand the importance and meaning of having a church home.

The "Hot Sheet" will be provided to MSP ministers on the street and at our conferences, block parties and school venues to help assist with the needs of the people in the community. The Hot Sheet includes programs such as shelters, food, clothing, counseling, rehabilitation, job training, church home placement and much more!

**\*\*There will be Street Outreach and a Carry the Cross with MSP before every Conference, Block Party and School Venue- weather permitting. Late Fall, Winter & Early Spring community events do not include Street Outreach or Carry the Cross with MSP\*\***

## WHAT MSP EXPECTS FROM YOU:

- 1) If possible, when we do our main community event, MSP asks that a member(s) of your church would set up a booth to represent your organization.
- 2) If possible, MSP asks that you provide volunteers for the outreach dates leading up to the main community event.
- 3) MSP asks that when we do outreach in your area, you promote the outreach by hanging posters in your church, handing out flyers and playing a promotional video during the church service announcements.
- 4) MSP asks your church to provide information such as:
  - Church Address
  - General Contact Information
  - Service Times
  - A list of the types of ministries available in your church
  - If available, a van service or transportation volunteer contact for new potential members
- 6) MSP asks that your church follow up with any potential members we send to you.

We will also need use of your church as a meeting place for the Street Outreach and Carry the Cross with MSP dates prior to the main community event.

Men Standing Positive focuses primarily on outreach to win souls to Christ. We then connect them with a church home so they can become equipped with the Word of God to walk in their purpose. Our vision is to make a lasting impact in your community- changing one person, one city, one nation at a time.

**To learn more about becoming a church partner with MSP- [Click Here](#) or call 314-888-5407.**

**To sign up to volunteer- [Click Here](#) or call 314-400-2906.**
